THE 1969 BULLDOG

Henry McDonald, Editor

B. N. Duke Library and Baber Annex

*Kittrell, North Carolina

A hand-drawn sketch of a building facade, possibly a library or a school building. The drawing is done in a simple, sketchy style with visible pencil or charcoal lines. The building has a central section with a gabled roof and two side sections. The text "KITTRELL" is written in large, bold, capital letters across the central section, and "COLLEGE" is written in smaller, bold, capital letters below it. The drawing is framed by a simple border.

Foreword

As graduation time approaches, we look forward to the time when we will be able to explore the unknown that lies before us. We will carry with us all the knowledge and learning that we have acquired at Kittrell College. As we recall the many wonderful events we shared during our two years here, we shall remember, especially, the places where we gathered to study, to play, or just to be together.

Our Yearbook, the BULLDOG, will help us to remember the important events which contributed to our happiness, pleasures, and even our disappointments. We shall remember the long lines, grade points, dances, ball games, and particularly the construction of our new classroom facility. We shall remember 1969 for IT WAS A VERY GOOD YEAR.

Dedication

Mrs. L. E. Cabiness

With contriteness of spirit, devotedness of heart, and respect for humility, the Class of 1969 dedicates this edition of the BULLDOG to Mrs. L. E. Cabiness, our versatile music teacher who has vastly enriched our intellectual understandings.

The same warmth, friendliness, and sincerity that is exemplified in her classroom is also felt by those who have come to know her as a teacher and friend. Her devotion, patience, and understanding have made a very real contribution to our development.

Among the extracurricular activities at Kittrell, one can find Mrs. Cabiness at work as Director of the Choir—an organization in which the entire school population takes pride.

Mrs. Cabiness—a teacher dedicated to the youth of Kittrell College to whom she has been an unfailing inspiration.

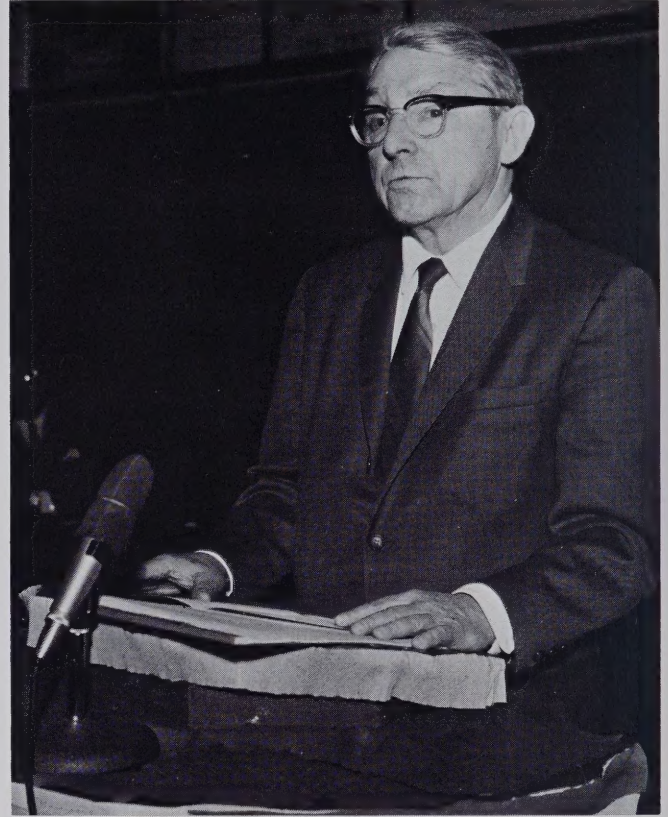

Although her tasks be many, Mrs. Cabiness finds time to be an attentive mother to her daughter Doris, a Sophomore at Kittrell. Not shown is her son, Jock, who is in elementary school.

Re-dedication and

Mrs. James H. Semans

Dr. Donald Agnew

A wave of nostalgia overcomes us as the memories of the Re-Dedication and Fall Convocation Services return to us. The memories which embodied a past built on hopes and dreams had become a reality to those who worked diligently and sacrificially toward establishing a more progressive Kittrell College. This day marked the opening of our newly renovated library and of our totally new annex which houses six classrooms.

The guest speaker for the Re-Dedication Service was Mrs. James H. Semans, granddaughter of the late Durham philanthropist, B. N. Duke, who originally donated the library to Kittrell in the early twenties. The speaker for the Convocation Service was Dr. Donald Agnew, Associate Director of the Southern Association of Colleges and Schools.

Convocation Services

Mrs. Vorhees Jamison, National Alumni Association President, presents a plaque to Mrs. Elvira Baber for whom the annex was named.

Mrs. Jamison presents an honorary plaque to Mrs. Semans.

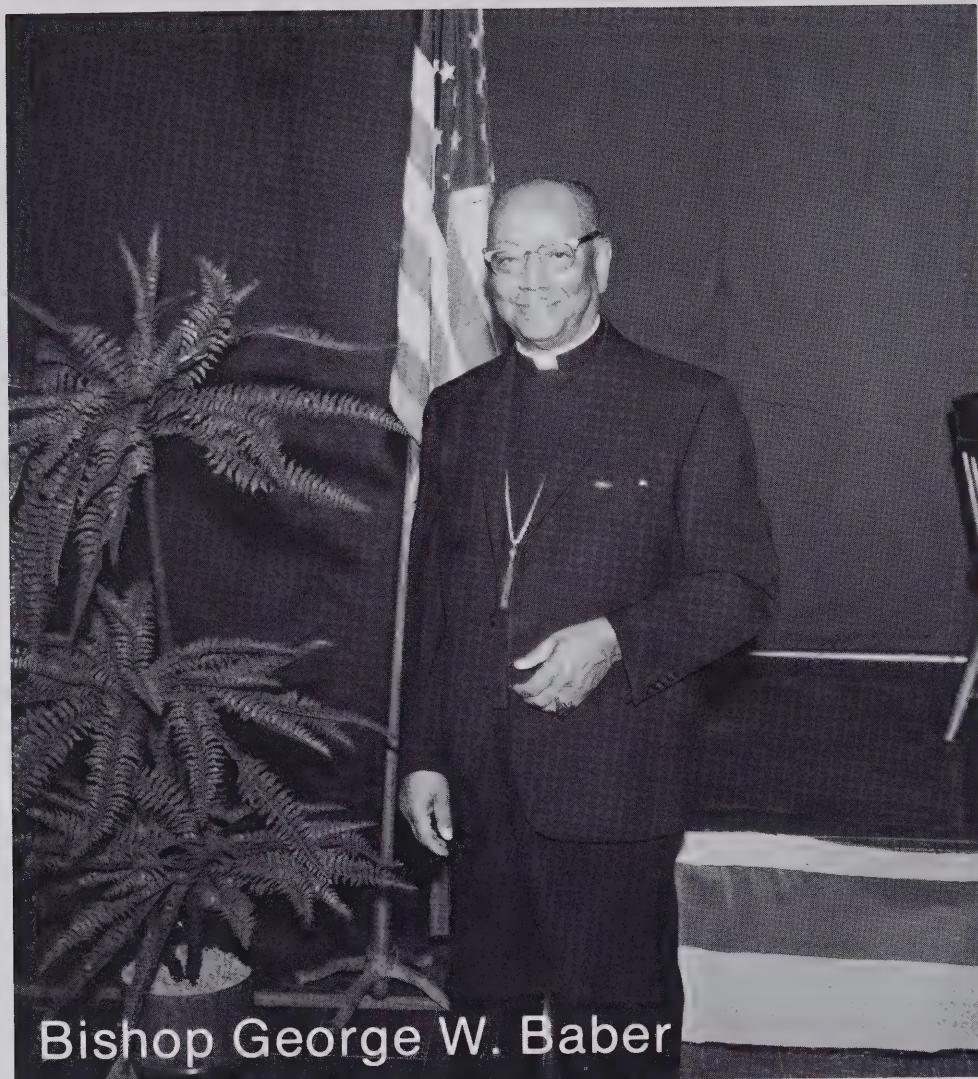

The crowd gathered in masses to witness the Dedication Services and to tour the historic library and new facilities.

ADMINISTRATION

Honor was never bestowed upon any man for receiving, but it is awarded to him for giving unselfishly of himself in service to others. In recognition of his deep and sincere interest and continuous efforts in behalf of the Kittrell College family, we pay tribute to our Bishop and Chairman of the Board of Trustees, George W. Baber.

Each of us has felt the sincerity and interest exhibited by our Bishop. Through his effective and dynamic efforts, our College's progress has accelerated tremendously. We feel fortunate, indeed, to have this man of humility, vision, and fortitude as our leader.

Members of The Board of Trustees of Kittrell College

Members of The Missionary Society of Kittrell College

The members of the Missionary Society, with Mrs. G. W. Baber as Director, continually strive to upgrade and make more comfortable and beautiful the surroundings at Kittrell College. Their latest contribution was a set of draperies for the student lounge of the newly renovated B. N. Duke Library.

Members of the Board of Consultants for Kittrell College

In its quest for the attainment of its new objective—that of providing compensatory education for disadvantaged youth—Kittrell College is fortunate to have a distinguished Board of Consultants to help chart its course.

This seven-man Board consists of: Mr. Silas M. Vaughn, Business Manager of St. Andrews Presbyterian College; Dr. Elmer Schertman, Instructor in Political Science at St. Augustine's College; President Horton; Dr. Bruce Whitaker, President of Chowan College; Mr. Charles L. Wheeler, Director of North Carolina State Commission on Higher Education; Dr. John B. York, Dean of Louisburg College; and Dr. Isacc Miller, President of Bennett College. Not pictured is Dr. King Cheek, Academic Dean of Shaw University.

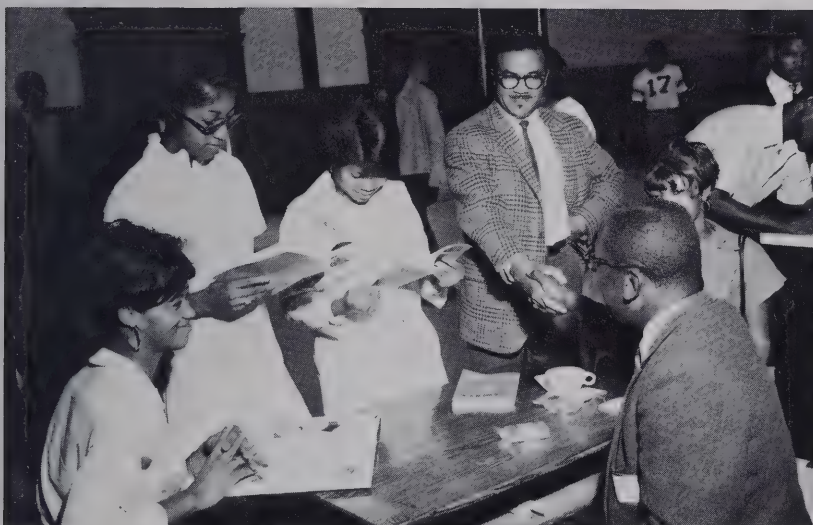

There have been in all ages and cultures men who walk taller than those who walk beside them. In the unique surroundings at Kittrell College, there is such a man. A man who continues to grow in wisdom and meaning to us, who has carried our problems on his shoulders, and who has given us the unequaled gift of faith in ourselves. He has been patient and understanding when we cry with dissatisfaction; he knows how to talk with us, because he knows us.

We are fortunate and proud to have this man for our leader, for the President of our institution—President Larnie G. Horton.

Beside every successful man there is a dynamic woman—and a son to follow in his footsteps. Kittrell College is fond of its First Family: President and Mrs. Horton and their son, Larnie, Jr.

The role of the President calls for a person with a versatile personality. This role is adequately filled by our President as he is seen above greeting visitors to the campus and addressing a group of dignitaries.

BENNIE L. REEVES, ACADEMIC DEAN

A dynamic and forceful person in Kittrell's quest for excellence is our Dean of Academic Affairs. Through his leadership, the faculty is united in their efforts to provide relevant, meaningful experiences for the students at Kittrell. Dean Reeves earned the B.S. Degree from Bishop College, the M.A. Degree from Texas Southern University, and has completed the course requirements for the Ph. D. Degree at the University of North Carolina at Chapel Hill.

Dean Reeves gives mail to his student secretary, Verna Alston.

DEAN L. A. WOODWARD

In a new and purposeful period of intellectual growth, students have been aided in making many adjustments to life at Kittrell by our Dean of Students, L. A. Woodward.

Dean received his B.S. Degree from the District of Columbia Teachers College; his M.A. Degree from New York University; and has studies further at Howard University.

Dean Woodward plans student activities with Student Government Officers, Nannye Fisher, Secretary and Glenn Johnson, President.

Dean dictates a memo to his student secretary, Gloria Wells.

MRS. K. B. HORTON, REGISTRAR

Versatile, creative, and indefatigable—these terms describe in large measure our Registrar, Mrs. K. B. Horton, whose dynamic personality inspires all of those around her.

Mrs. Horton earned her B. S. Degree from Winston-Salem State College and completed her graduate work at the University of North Carolina at Chapel Hill.

Mrs. Horton and her secretary, Cheryl Thomas assist students in registration and in countless other ways.

Business Managers

Mr. Rajinder Parshad, Business Manager, is responsible for a complete record of all financial transactions at Kittrell. He earned the B. A. Degree and the M. A. Degree from Punjab University and the M. B. A. Degree from Atlanta University.

Mrs. Verna S. Bullock, Assistant Business Manager, is primarily concerned with student accounts. A native, of the Bermuda Islands, she earned the A. S. Degree from Kittrell College, the B. S. Degree from Allen University, and has studied further at North Carolina College.

Courtesy and Efficiency Are Evident in Secretarial Staff

Miss Charmain Baldwin, Secretary to the President, received her A.S. Degree from Kittrell College and studied further at Delaware State College, Dover, Delaware.

Mrs. Deloris McKinnon, Secretary to the Academic Dean, received her B.S. Degree from St. Augustine's College in Raleigh, N. C.

Editor's Message

Realizing that today is done, and that the sun of tomorrow is rising, we the Sophomore Class of 1969, take another step forward. Although for us life at Kittrell is ending, many new horizons lie unexplored before us.

Our days at Kittrell marked the beginning of our growth in many ways; they marked a time for us to begin realizing the value of competition; a time for us to make preparations for tomorrow. Sometimes we failed, but in failing we found strength to begin anew.

We sincerely hope that as you turn the pages of this annual you will be reminded of the bridge that we have halfway crossed. Our glorious days here are swiftly ebbing, but in our hearts we know we will always cherish the memories that we found here. Truly, 1969 was A VERY GOOD YEAR.

Henry McDonald, Editor

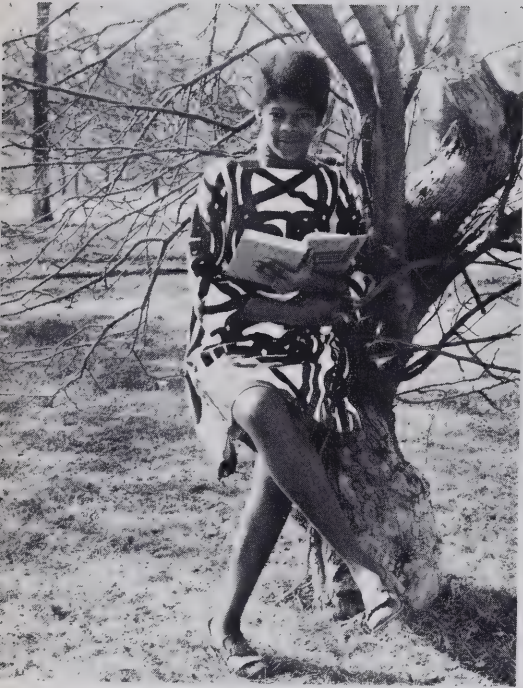

Smiles of success beam on the faces of the hard working Yearbook Staff which includes: Ida Lett and Cheryl Thomas, typists; Mary Walker, Treasurer; Verna Alston (seated), Secretary; Arnold Herring, Copy Editor; Gloria Wells, Assistant Secretary; and Sonny Alston, Associate Editor.

For the Bulldog Staff "It Was A Very Good Year"

Many hours of hard work and concentration are essential for a good yearbook. The web of deadlines entangles many of the students into spending long hours completing unfinished business: writing and typing, identifying countless faces, drawing layouts, and other tasks. Through the efforts of the students, faculty, and our Advisor, Mrs. E. T. Vaughan, the Bulldog Staff is able to present to you a panoramic view of the 1968-69 school year.

Cross-Country: A Thriving Sport

Few people realize the endurance and will power that is necessary for cross-country running. This year's runners coached by Mr. Moses Golatt, represented one of the finest teams that Kittrell College has had.

The team attended the regional ten N.J.C.A.A. Cross-Country Meet held in High Point, North Carolina on November 9, 1968; the team, in a display of skill and running ability, placed third in the Meet. James Flanagan and Josephus West were the top runners.

The team consists of: Ronald Spencer, Josephus West, Harry Clark, Redden Leggett, James Flanagan, Bobby Bland, and Larry Love.

Stamina: Key to a Good Soccer Team

Kittrell College's Athletic Department has added a new sport to its Intercollegiate Athletic Program; the sport—soccer. Although the team failed to register a win for the three game season, they showed great potentials for a more competitive season next year.

Coach Golatt stated that: "Many of the players had never had formal training in the sport but showed an innate desire to learn." Outstanding performances were displayed by Paul Graham, Artis "Otto" Rawlins, Redden Leggett, and William Taylor. Graham, a slender 5'7", 130 pound Sophomore, performed as a 6'5" 230 pounder on the field. He has proven to have great skills in the game. Rawlins, Leggett, and Taylor are credited as being most valuable team players.

Track

Because of its dedication, desire to win, and stamina, the Kittrell College track team is among the best. The team, Coached by Mr. Moses Golatt, is one in which the College takes pride.

The team begins its '68-'69 season in the spring and is confident that this season will be a successful one.

Basketball

A good team is not only one that can score and win; it is a team that can work well together. Designed to teach good sportsmanship, to build sound bodies, and to afford capable students an opportunity to perform, basketball has become a major sport at Kittrell College.

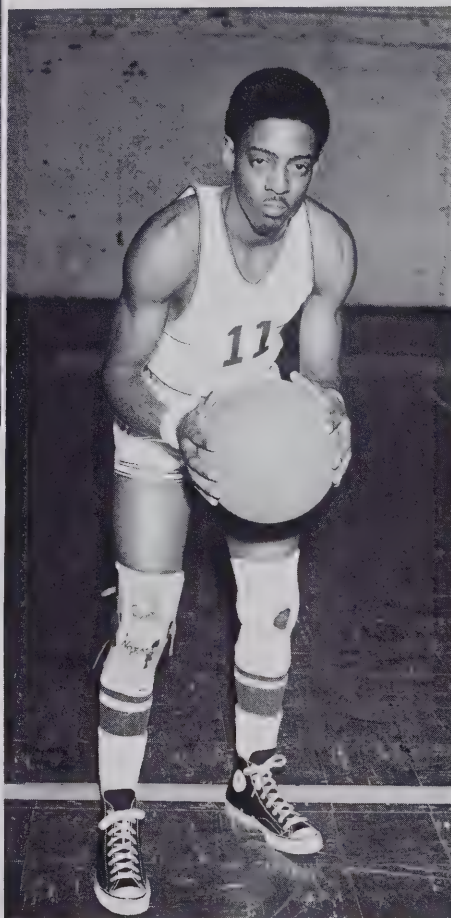

Coached by Mr. M. McKinnon and Mr. Moses Golatt, the team has had a successful season winning 14 and losing 6 games in conference play.

The Bulldogs displayed great teamwork headed by the consistently outstanding playing, offensive and defensive, of the Captain, Redden Leggett.

Light-hearted and spirited, the girls on our cheering squad supported our teams with vigor. Their hard work and long hours of practice were obvious as they cheered at home and away. Scenes

A Dream Becomes a Reality

We watched with eagerness as the construction of our new facilities was under-way.

Our temporary quarters were small and often crowded, but we continued to work diligently in our quest for higher learnings. At last our dream became a reality when, in the fall, we moved into our spacious and comfortable facilities as shown below.

*Beautiful Days, Beautiful Scenes, Beautiful Girls
Attest That 1969 Was A VERY GOOD YEAR.*

Despite the many term papers to be written and books to be read, there is always a “time out” for conversation with the opposite sex.

Washing cars on a warm day we found to be an easy way to pick up extra "coins."

"Oh how it hurts." Nevertheless, you can't keep a good girl down.

Freshman girls enjoy fun and frolics in their dormitory.

Tattered and torn though they appear to be, Kittrell College is grateful to its student “Rat Patrol” and to the Supervisor of Buildings and Grounds, Mr. William Hall, for the work that they do to beautify our campus as evidenced in the photograph below.

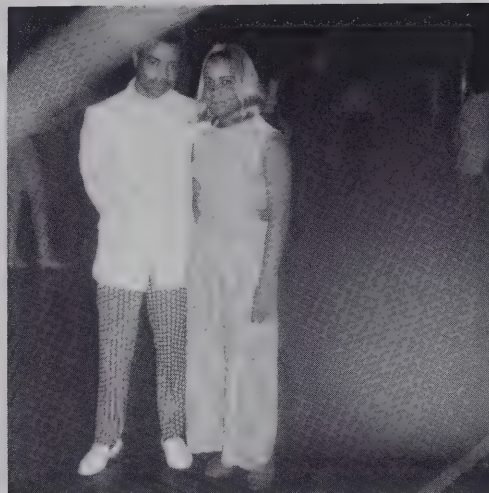

Gloria Wells Models mod sports attire.

Margaret Jones fashions wear for after five.

A Night of Fun with the Bulldog Staff

Sonny Alston and Andrea Oliver were selected the MOD COUPLE for 1969.

Diane Daniels looks beautiful in her evening attire.

There were models and performers galore.

Coronation Highlights

Homecoming Activities

Miss Homecoming and Attendants, Gloria Wells and Ida Lett.

Pageantry and excitement filled Kittrell's gym on February 8th as the Bulldogs celebrated their Homecoming activities. Daisy Byrd was elected by the student body to represent them as Miss Homecoming on the festive occasion.

The cage contest saw the Bulldogs bow to the A&T Aggies of Greensboro by a narrow margin. The Annual Homecoming Ball, which featured the music of the "Soul Kings" of Greensboro, climaxed the evening.

Members of the Dance Group (Carolyn Towns and Nannye Fisher) pay tribute to Miss Homecoming.

Miss Homecoming is escorted from the floor by Basketball Team Captain, Redden Leggett.

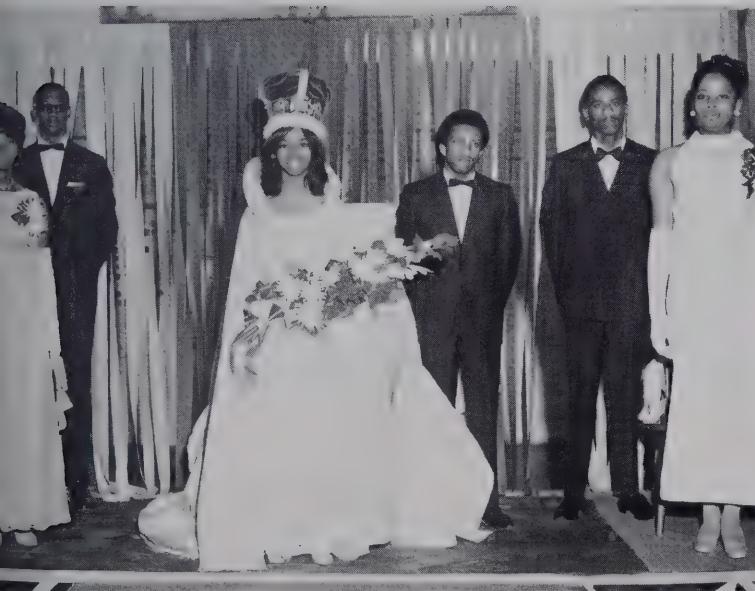

Royalty Becomes Miss Kittrell

In a formal extravaganza on February 14, Miss Carolyn Townes, a charming and personable Sophomore, was crowned Miss Kittrell and presented to an acclaiming audience or loyal subjects.

Carolyn, an active Business Education Major from Warrenton, North Carolina, also reigns as Miss Off-Campus Club and is a member of the Commerce Club, the Bulldog Staff, and the Cheering Squad.

President L. G. Horton bestows the title and crowns Miss Kittrell.

Loveliness and charm are evidenced in the royal court.

Queen Carolyn and her escort, Bobby Rorie.

The pages throughout this section (Campus Scenes) have depicted the lighter side of life at Kittrell College, but we forget not that our real purpose for being here is to further our education. With the assistance of such dedicated instructors as Miss Phenie Dye (above) our educational experiences become alive and relevant as we become active learners, not merely passive receivers.

THE ALMA MATER

Hail to thee, dear Alma Mater,
Hear our praises true,
Love and loyalty thy students,
Pledge to thee anew.

Raise thy eager voices loudly,
Let the rafters ring,
Join the chorus all ye proudly,
We her glories sing.

God our Father, bless her ever,
Guide our students dear,
Let us n'er our love bonds sever,
Strong in faith and cheer!

Chorus
Kittrell, Kittrell, Alma Mater,
Hear our praise to thee,
Kittrell, Kittrell, Alma Mater,
Honored ever be!
